JYNX? We think not.

Miss Maze is one of my absolute favorite adult stars. Her libido is out of control, and I love that. So when I saw her on the cover of *Wild 18*+, I had to buy it.

When I started thumbing through the pages, There was her beautiful body splayed through numerous pages. Then she begins...

LITERARY EXCERCISE

My students in the adult education program weren't exactly Fulbright Scholars. Still, I had to give them an A for effort. They were here voluntarily. They were trying to better themselves. Having dropped out of high school some years prior, these folks had decided to go back to school and earn their diplomas. I had to admire that kind of gumption.

As for myself—well, I had applied for and accepted the job out of desperation; this a few months after earning my PhD in English from a top-rated university. I

wanted to be a professor, of course. But professor jobs were scarce; landing one was like winning the lottery.

And I wasn't that lucky. Not by a longshot. But we all have to eat . . .

Truth be known, the job wasn't all that bad. I was getting valuable teaching experience and earning a steady paycheck. Mine was a temporary gig, a mere pitstop enroute to my ultimate goal of becoming a tenured professor. I was, as the saying goes, paying my dues.

The class met two nights a week at the local community center. Most, if not all, of my students worked full-time day jobs. Their plates were full. They showed up every Tuesday and Thursday looking tired as hell. No doubt they would have rather been unwinding after a long day, relaxing on the couch with a stiff drink and some mindless television program. Instead, they had to listen to me lecture on metaphor, symbolism, allegory . . .

Which brings me to Nora Winstead.

The thirtysomething brunette was having

difficulty grasping the concept of alliteration. I had arranged for an after class tutoring session. Ms. Winstead was in dire need of extra help, a prime candidate for one-on-one instruction, and I was most eager to help.

Now the last of my pupils exited the classroom. Nora got up from her desk and joined me at mine. She sat beside me, her face a mask of intense concentration as I opened my book of literary terms to the appropriate page.

"Alliteration," I read, "is 'the occurrence of the same letter or sound at the beginning of adjacent or closely connected——"

"I just don't get it, Mr. Newcombe," she interrupted me. "You might as well be speaking another language."

"Perhaps," I said, "if you saw an example."

My black marker poised above a sheet of scratch paper, I wrote the following . . .

NICK NAILED NORA.

"Mr. Newcombe!"

I wanted to help Nora earn her high school diploma, sure. But I also wanted to fuck her. Determined to kill two birds with one stone, I had written the three words with high hopes.

But Nora seemed shocked and more than a little embarrassed. After all, my first name was Nick. And she knew it. I had written it on the board the first day of class.

Nick Newcombe.

"I apologize, Nora. I shouldn't have written that——"

"It's okay," she cut me off. "I'm not mad."
"You're not?"

"You caught me off guard, is all."

She no longer seemed embarrassed as she searched my face. "Nick nailed Nora, huh?" She smiled saucily. "Well, I'll be the judge of that..."

No sooner had the words left her mouth

than she sat atop my desk and leaned back. I hastened out of my chair, dropped my pants, and moved into position. Her summery dress provided easy access. I pushed it up above her hips, exposing a pair of hot pink cotton panties which I peeled from her long and slender legs.

She parted those legs, granting me an up close and personal view of her pussy. Hers was a nice pussy, shaved and glistening and begging to be pounded. I guided my cock inside her and proceeded to thrust. Nora was tight, her cunt clenching me as I enjoyed it to the full.

She lay there, her long hair hanging over the edge of my desk. "Oh, yeah! Just like that, Mr. Newcombe! Fuck me good!"

"Show me your tits," I demanded.

Nora reached up with both hands and lowered the straps of her lightweight dress. She hadn't worn a bra to class. Her spectacular tits were on full display, shaking and shimmying as I drove my stiff schlong into that snug snatch of hers. The sight of those glorious jugs prompted me to increase my pace. I fucked her faster and faster and faster . . .

Panting with excitement, I pulled out and beaded her thigh with hot spunk.

Nora thanked me for the tutoring session, then dropped a bombshell. "I wasn't having a problem with alliteration, Mr. Newcombe. It made perfect sense the first time you explained it two weeks ago. I just wanted to get you alone . . ."

"Great minds think alike," I told her.

PICNIC PUSSY

My girlfriend stood on the front stoop of our little apartment, basking in the beautiful morning. Sunny, not a cloud in the sky, temperature just shy of 80. As close to perfect as a day could get.

I opened the screen door and joined her. "We should go on a picnic," I suggested, wrapping my arms around her slender waist.

"That's a wonderful idea," Trudy replied.

"We're making a scene out here," she said. "What will the neighbors think?"

"To hell with the neighbors," I told her.

It wasn't long before we went inside, and Trudy gave me a blowjob right there in our postage stamp-sized kitchenette. Crouching on the floor, she lowered my boxers and freed my pecker. I stood there as she wrapped her soft lips around my shaft. Trudy sucked and pumped, gobbling my cock with slutty abandon. I was lucky to have her for a girlfriend, damned lucky . . .

Moments later, having brought me to the brink of orgasm, she withdrew her mouth and went to work with her hand. Trudy shucked and stroked and jerked, opening her mouth and sticking out her tongue as she did so. She all but begged for my load . . .

And I gave it to her. By the time I had finished her tongue was coated with spunk. She swallowed every last drop.

"Yummy," Trudy said.

Then she hastened to the bedroom to change clothes, leaving me there in awe of my good fortune. A guy couldn't have asked for a better girlfriend than Trudy. She was the best.

I pulled up my shorts and tucked away my junk. I looked forward to our picnic. Surely, this morning's hummer was just a preamble to something even more spectacular . . .

Love was in the air.

The park was crowded with other couples; everybody was taking advantage of the beautiful weather. Still, Trudy and I were able to find our own little patch of grass. We sat

I love her eye contact with the camera. Feels like she's looking at me while she does her dirty deeds. The silver vibe and over-sized black anal beads were only a warm up.

When she gets going, it's anal right from the start. Her beautiful bottom takes a first class pounding throughout the pages and it's wonderful.

But that's not to diminish her cock sucking skills. She's a real pro at that too. She deep-throats so easily that I need to stroke my cock all the way to the base. OK, gotta go now and take care of business. Wink...

on an oversized beach towel and ate lunch, washing it down with a chilled bottle of white wine.

Then we floundered in the sun and worked on our suntans. Trudy looked splendid in her bikini. I lay there on the blanket, thinking about the stellar blowjob I had received just that morning.

I craved more, much more . . .

Having dozed for half an hour, Trudy awakened to tell me all about the erotic dream she had just had. "We fucked right here on the blanket in front of everybody. It was crazy..."

No, Trudy and I didn't make the dream a reality. We weren't quite that adventurous. Getting arrested for lewd and lascivious conduct was hardly our idea of a good time. But we did fold up the blanket and go searching for a more private spot, which we found with relative ease.

"This should do," I said, referring to a small clearing behind a copse of trees.

No sooner had the words left my mouth than Trudy discarded her bikini. I unfurled the towel, laid it on the ground, and took off my shorts. Trudy dispensed with a preliminary blowjob. I was already hard, my cock a rigid staff pointing at the sky.

I stretched out on the towel so that Trudy could straddle me. Spreading her pussy with her fingers, she lowered her hips; this as I steadied my tool with one hand, sliding it into her slick crevice.

Trudy felt amazing; her tight cunt sheathed my dick. She rocked her hips, moving with me in perfect synchrony.

Hers was a deliberately slow ride; she wanted to savor the moment, making it last as long as possible. I lay there beneath her, gladly letting her do most of the work.

At least until she climbed off and assumed the doggy position. Peering at me over her shoulder, she told me to fuck her hard. I scooted forward on my knees and positioned myself behind that beautiful butt of hers. Then I slipped it in, plunging my prick to its thick base.

"Oh, yeah! Give me that dick, baby! Pound my pussy!"

Trudy's encouraging words pushed me to new heights. I nailed her with a series of frenzied thrusts. Her supermodel-sized ass provided little cushion as I slammed her from behind, feeling the unyielding hardness of

> her tailbone. Trudy gasped with each stroke, gasped and clenched the towel with both hands.

I finished in this manner, pulling out and shooting my wad all over her ass, creaming it good and proper . . .

"We should do this more often," I told Trudy after we had gotten dressed. "Picnics are fun..."

"Moderation is key," Trudy countered. "We don't want to get burned out. And my poor pussy needs time to recover!"

MAZED OUT...

I'm a huge Jynx Maze fan. She has to be one of the horniest stars I have had the pleasure to watch.

She's always fucking with a smile on her face, even when there's a huge cock plugging her little brown hole. I hope she's around for a long, long time.

I called a local agency who sent me over a dude to fix the plumbing of my kitchen sink. When he arrived I noticed he didn't even have tools with him. But he did have quite a tool on him and he ultimately fixed my indoor plumbing. Now everything works better and I can get on with my day.

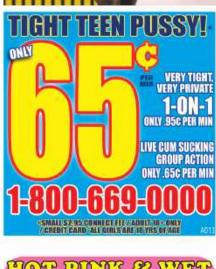

When Chloe's man goes to work, she likes to watch him in his garage. As he wrenches, she loves fingering her pussy. He never knew she did this when he works. Chloe convinced him to strip down and replace her fingers with his big hard cock. He didn't finish fixing his car that day, but who cares.

When Isabelle and her fuck buddy Alex, feel the pangs of desire, they don't waste any time getting into the mix. When Alex slid his cock in her ass, we all applauded. Isabelle savored every sweet thrust and rode Alex to an intense anal orgasm. We must say we were quite impressed.

Birthday 3-way

My girlfriend gave me what I'd always dreamed of for my birthday

At precisely six o'clock on my birthday, Patricia arrived at my door to take me out to dinner. She looked absolutely ravishing, with her hair all done up.

She wore a low-cut dress that would stop traffic. Quite honestly, I could have ripped her dress off right then and there, and fucked her brains out, but being a so-called gentleman I decided to do everything according to proper etiquette.

During the entire meal Patricia had a devilish gleam in her eye. She kept licking her lips invitingly and finally I asked, "Is there something wrong? You're acting weird."

"I'm fine," she said coolly, a mischievous grin on her face. She had kicked off one of her shoes and was running her foot up my pant leg as she cooed, "I wanted this birthday to be special, so I still got a couple of surprises in store for you." She wouldn't even give me a clue as we finished our meal.

After dinner Patricia suggested that we return to her place. On the way home she ran her hand up and down my leg near my crotch, causing my dick to spring to attention. But she went no farther.

Once we arrived at her place, Patricia opened the door to her apartment and ushered me inside. She flicked on the lights and yelled "Surprise!" as my eyes adjusted to the vision of beauty in front of me: a stunning blonde dressed only in sexy lingerie and high heels.

I was speechless, but even if could have spoken I doubt that would have made any sense.

"Happy birthday!" the girl wished me in a soft, seductive voice. I'm Darla and I'm here to serve you for the evening."

I turned to Patricia, who stood there grinning. "Like the lady said," Patricia explained, "she's all yours. I didn't really know what to get you for your birthday. Lord knows you've got a drawer full of socks and loads of shirts, so I figured I'd get you a present you can appreciate until midnight. Your wish is her command."

I wiped the perspiration from my forehead. "I'd better get me a drink," I said to Darla. "I think I need one." She then promptly went into the kitchen to prepare one.

"How the fuck did you get the idea for something like this?" I asked Patricia.

"I heard from a girlfriend about it. Seems like a friend of hers did the same thing for her husband's birthday, so that gave me the idea. I guess you could say my curiosity got the best of me. I hope you aren't too upset."

"Why should I be? I think this

I wiped the perspiration from my forehead. "I'd better get me a drink," I said to Darla. "I think I need one." She then promptly went into the kitchen to prepare one.

"How the fuck did you get the idea for something like this?" I asked Patricia.

whole thing is really sexy, as long as you don't mind me focusing my attention on another woman"

At that moment Darla returned, handing me my drink. She stood quietly in front of me, awaiting my next command. "That will be all for now, Darla. Thank you. Go into the kitchen, and I will call you when I'm ready."

I watched her sway her hips as she left the room in her bra and a skimpy pair of lace panties. My cock was soon tingling with pleasure and anticipation at the vanishing view of my gift for the evening.

"I know you like sexy lingerie," Patricia said, "so I asked Darla to look as slutty as possible. I knew it would get you in the mood. She only had to look at the tent pole in the front of your pants to know she was correct."

"You mean Darla will do anything I ask her, no matter how kinky?"

"Absolutely. The agency promised it, provided it is safe and agreed upon by both parties. So make a wish and see what happens."

I felt like Aladdin ready to rub a lamp, and this sexy 'slave' would make any wish come true. I cleared my throat. "Darla, please come in here." She appeared immediately, a smile on her face. "Darla, my cock is rock hard from the sight of your beautiful body. Would you please blow me right away?"

"Yes, sir," she replied as she knelt down in front of me.

"Darla, when I come, I don't want you to swallow it. Keep it in your mouth and await my next wish."

Darla then unzipped my pants and pulled out my cock. She wrapped her ruby-red lips around my manhood, teasing it with her tongue. As the sensations intensified, I ran my fingers through her blonde hair, the strands so silky to my touch.

Darla kept up the pace as she

touched every inch of my dick. The wetness of her mouth added to the whole mind-blowing experience me. As I passed the point of no return, I glanced over at my Patricia, who had her fingers down the front of her panties. She was getting off too.

Seconds later I came, exploding inside Darla's mouth. Darla kept sucking ravenously to get every drop of my creamy liquid. She sat back on her heels, her cheeks puffed out, holding the cum inside as she was asked to do.

"Darla, now I want you to spit my cum into each of your shoes, then walk around the house wearing the shoes."

"Yes, sir," she replied enthusiastically as she took off her spike heels. She spit my juice into each shoe, and then placed the shoes back on her feet. She left the room and I watched her feet as she moved away.

Turning to me, Patricia said, "Omigod, you've become a kinky bastard, haven't you? "I never knew you were into that perverted shit."

"Why not? I'm king for a night and I plan to do anything I please."

Patricia shook her head and grinned. "I have the feeling we have not seen the last of your little sexual proclivities."

"Damn right! Remember, you're the one who came up with the idea for this birthday present. Now let's see, what's next." I mused. "Darla, would you come in here?" She appeared in a flash. "Do you like the feel of my cum on your feet?"

"Yes, J.P.," she said.

Patricia's eyes opened wide, but she said nothing. Being somewhat of a leg man, I found it exciting to see Darla's lovely feet. "Okay, Darla. Please go into the bedroom and await my next wish." When Patricia and I were alone again I began to laugh.

"What the hell is so hilarious?" she asked. "That

was such a strange thing for you to do."

"Hon', you're as much a part of this evening as Darla is. Don't be a party pooper; you wouldn't want to disappoint your birthday boy now, would you?"

"I know what not to get you next year," she retorted, but I knew she really wasn't as upset as she sounded. I got up from the chair. "Well, I guess it's time for the main event. Let's get into the bedroom. I don't want Darla to get lonely."

The evening was still young and I had many kinky thoughts running through my head. The three of us stood in the bedroom and it was time for my next move. "Darla, please undress my girlfriend and then put on the sexy underwear you will find in the drawer. Then take her patent leather pumps from the closet."

Darla began to remove my girlfriend's clothing slowly, one piece at a time, like a sexy striptease. Soon Patricia was dressed in her lingerie. She was blushing, a bit embarrassed, and teetering on her high heels.

"Now, Darla, lay Patricia on the bed so that she is spread-eagled. Use the silk scarves to secure her to each post."

"What the hell?" Patricia shouted, but before she could react Darla had pushed her onto the bed and pro-

ceeded to do as I asked. Patricia struggled to no avail because Darla was able to assure her. The task was soon completed and I realized this was not the first time Darla had tied someone up.

I saw the frustrated look in Patricia's eyes as she pulled valiantly at her silken "restraints." I had always been curious about trying out some of this stuff with Patricia, and when opportunity knocked this time, I answered the call.

"Darla, I want you to do a little pussy licking. Is that clear?"

"Yes, J.P. I understand fully," she replied. I swore she answered a bit more enthusiastically than she had previously. Darla positioned herself between Patricia's spread legs. I noticed a few moist drops on Patricia's pussy lips. She might have appeared angry on the outside, but she was hornier than hell on the inside.

Darla parted Patricia's outer lips and thrust her tongue gently inside. Patricia's body involuntarily arched. She always had been very sensitive down in her moist depths, so it would take little stimulation to drive her wild.

While Darla's cute little butt was stuck up in the air, I decided to make this a true ménage a trois. I got on the bed behind Darla and shoved my cock up her cunt. She knew what I wanted, so she positioned herself so I could enter with little difficulty. I knew Darla's tongue must have really been doing a number on Patricia because she was soon moaning like a madwoman. It seemed like her soul must have been on fire. Darla was doing double duty because her grasping pussy was drawing me in deeper.

Darla's fiery tongue kept up the rapid pace until Patricia arched her back and gasped. Her orgasm sent her pungent juices over Darla's tongue. Seconds later—almost as if on cue—I shot my milky white liq-

uid into Darla' depths. After this exotic episode the three of us lay side by side, our faces flushed and our breathing erratic.

It was hard to believe that earlier in the day I had been reluctant to even think about my birthday. Birthdays had always depressed me... until now. I glanced at the clock beside the bed. It was after eleven. Time really does fly by when you're having a good time. I only had less than an hour to enjoy Darla's services.

Is there anything else you want, J.P.?" Darla asked.

"I guess we don't have a lot of time left. At midnight the party is over. You know, Darla, there is one more thing you can do. And that's to take pictures of Patricia and me as we have one last birthday bang."

I took my old Polaroid from the closet and handed it to her. "I'm asking you to take pictures while we fuck." As I embraced and slipped my cock into Patricia, I whispered "Thank you." I then impaled her with my staff and she rode me like a wild mustang. It soon became obvious that Darla was as aroused by this encounter as I was, judging by the frequency of the flashes of the camera.

My tongue melted into Patricia's, as did our bodies. Her cunt muscles tugged at my cock like a giant suction cup. Soon my sticky juice again exploded with the ferocity of a bursting dam. I noticed more flashes from the camera as we watched the snapshots developing before our eyes.

The clock now read 11:55PM; only five more minutes left in my birthday fantasy. I might as well let Patricia get her money's worth, I thought. "Darla, for this last request of the evening, I'm asking you to jerk me off with your lovely fingers. And when I shoot, let my cum squirt all over your face."

"Will do," she said with a big smile. Darla moved

her fingers up and down my shaft, her blood-red nails entwined around my dick. Her easy motion made me wish she would never stop, but soon my load was welling up in my prick. Sensing this, Darla put her face in front of my cock, just as the dam burst free and splashed all over her face. As the clock struck midnight, she was still licking the cum from herself.

Moments later, Darla walked into the bathroom to wash up and put on her clothes. Patricia and I met her in the living room. "Thank you for a beautiful evening," I said. "You sure know how to make birthday wishes come true."

"You wouldn't believe how many people want to add a little spice to their fives, at birthdays or any time of the year," Darla said. "Well, I really have to get going. Nice to have met you both." Kissing me on the cheek, she said, "Happy birthday" one fast time, and then she walked out the door.

That was a night I will never forget. We look at our snapshots regularly as a reminder of the evening. I hope next year for my birthday Patricia plans something equally as exciting. (Patricia's birthday is coming up in a couple of months and I have been toying with the idea of renting a boy toy for her...)
